ATTENTION URGENT NOTIFICATION

Sub:	Medical Education - Inclusion of additional MBBS seats in Self-Financing Medical Colleges and newly permitted Medical College for Round 2 Online Counselling for MBBS/BDS Degree Courses (2026-2027 Session) - Reg.
------	---

The attention of all candidates participating in the Round 2 Online Choice Filling / Choice Locking for MBBS/BDS Degree Courses (2026-2027 session) is invited to the following:

The Selection Committee has just received the requisite regulatory approvals / Letters of Permission (LoP) from the Competent Authority / National Medical Commission (NMC) and University for the intake/addition of MBBS seats in the institutions listed below.

In the larger interest and welfare of aspiring candidates, it has been decided to include these newly sanctioned seats directly into the ongoing State Round 2 Online Counselling.

Details of Newly Added / Approved MBBS Seats

S. No.	Name of the Medical College	Nature of College	Additional Seats Added	Total Approved Intake
1	Madha Medical College and Hospital, Thandalam, Chennai	Self-Financing	50	Increased Intake
2	Arunai Medical College and Hospital, Tiruvannamalai	Self-Financing	50	Increased Intake
3	APS Medical College Hospital, Mevaloorkuppam, Kancheepuram	Newly Established / Self-Financing	150	Initial Intake (New LOP)

(Seats will be apportioned as per the prevailing Government and Management Quota ratio and Communal Reservation guidelines of the Government of Tamil Nadu).

Instructions to Candidates

Choice Modification / Addition: All eligible candidates participating in Round 2, including those who have already submitted, are hereby permitted to edit, re-order, and add choices for the above-mentioned medical colleges.

Seat Allotment: Allotment of seats will be made strictly in accordance with NEET UG 2026 State Rank, Communal Reservation, and the preference choices exercised by the candidate.

Candidates are advised to visit the official website (www.tnmedicalselection.org) regularly for schedule revisions and real-time updates.
